Description

-Handmade -Made with lavender flowers from Patagonia, olibanum resin from Africa, natural carbon, natural binder, salt -Each box contains 9 sticks that are 7" long -Each stick burns for 45-55 min Since ancient times, Lavender and frankincense (Olibanum) are used in rituals and ceremonies as protectors, purifiers and neutralizers of negative energies. Lavender is believed to be able to neutralize negative energies by balancing and harmonizing spaces. Olibanum complements lavender by attracting positive

energies. The sacred smoke of both fragrances make a powerful protector and a wonderful aroma to enjoy.
