Description

Incense of Roses and Olibanum Handmade Made with rose flowers, African frankincense resin, natural charcoal, salt, natural binders Each box contains 9 extra-durable thick rods Each rod lasts 40 minutes Roses have long been used in love blends due to their association with emotions. The power of roses is nothing less than love, love fills the immensity of spaces, where there is love there is life! where there is love there is happiness! where there is love there is friendship! where there is love

there is prosperity, peace and rebirth.
