Description

Handmade Content: 4 units Use: to smoke Duration: 15 minutes Box size: 9x9x4
Energy pyramid to smoke: symbol of fire, ancient Divine Geometry of the Human race, connector between the heavenly and earthly world, its power, The Sun, energy of life and transformation, conductor of cosmic power on the environment where it is used. This pyramid is also made up of citronella, a herb used as a natural repellent and protector of the home, calendula petals for happiness and to inspire creativity

and rue, mother of spiritual herbs, protector par excellence, healer by nature.
